June 22, 2025

To whom it may concern;

Melvin Miller has been a client for 8 years. As an officially licensed, active, state professional in good standing, please accept this letter as proof and confirmation that Melvin and his wife have liquid funds available in excess of \$600,000 with which to purchase property. Should you require any further detail or have any questions please contact me at your convenience.

Cordially yours,
